MIRACLE

A COMPLETE SOLUTION FOR
**ELECTRICAL STAMPING
AND ALLIED PRODUCTS.**

www.miraclestamping.com

ABOUT MIRACLE STAMPING.

MIRACLE STAMPING is a complete solution for Electrical Stamping and allied products. Company incepted by a Team of Technocrats having an Experience over 25 years in the field of Stampings. We Are Competent to provide solution for Electrical Motor Industries Switchgear Industries Alternator Industries Automotive Industries.

Today, **MIRACLE STAMPING** has evolved from its humble beginnings to a now sophisticated setup manufacturing a diverse range of stators, die-cast rotors and die-cast parts based at Ahmednagar, Maharashtra India, being led by our Managing Director - **Mr. Sagar Pawar**. We have the latest state-of-the-art machinery to fulfill the exacting requirements of our clients. Over the past years, we have built tools and processed electrical stampings for the electronics, and consumer products industries. We manufacture a full range of highly precision and close tolerance electric stampings for induction motors, FHP motors, submersible pumps, mixer-grinders, washing machines, almost all kinds of motors.

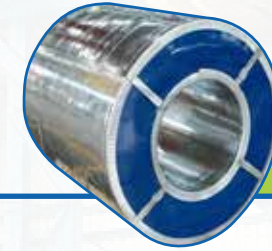

WE AT "MIRACLE" ARE DEDICATED FOR CUSTOMER DELIGHT BY SUPPLYING WORLD CLASS STAMPING PRODUCTS AT COMPETITIVE PRICING.

VISION STATEMENT

TO BE INDIA'S LEADING MANUFACTURERS IN ELECTRIC SL MOTOR STAMPING AND BE PREFERRED CHOICE IN OUR INDUSTRY THROUGH OUR COMMITMENT TO SAFETY, COST-EFFECTIVE INNOVATION, EXECUTION EXCELLENCE AND BEING PART OF OUR CUSTOMERS SUCCESS.

MISSION STATEMENT

It is the mission of **MIRACLE STAMPING** to be the finest commercial quality **ELECTRIC MOTOR STAMPING** manufacturers in India. We understand that we cannot be successful unless our customers are successful. We are committed to enhancing our customer's success with responsiveness, quality and service that sets the industry standard. MIRACLE STAMPING understands the value of continual improvement and commitment to our most valuable asset, our people. We will strive to be the best in every aspect of our business by utilizing our core competencies, fostering a culture of trust, teamwork and responsibility.

OUR SERVICES

1 SLITTING

We at MIRACLE STAMPING, can manufacture and supply slit coils from range 15mm+ and thickness from 0.35mm-0.8mm at competitive rates.

2 PROGRSSIVE STAMPING

Team at MIRACLE Stampings have an extensive experience manufacturing parts by progressive die stamping, using common or specialty metals and metal alloys, efficiently and economically. We can cater any complex and critical stamping upto 400mm dia. by developing a progressive tool and successfully running the same on our finest High speed press ranging from 60 - 350 Ton.

Progressive die stamping is a process very cost-effective and widely used for mass production of stamped parts which require complicated in-press operations manufacture, because it can be completely automated and have a high dimensional accuracy. It is specially used to produce large series of small and medium parts.

OUR SERVICES

3 BALNKING AND NOTCHING

We have huge capacity to supply wide range of banking and notching stamping. We can cater any complex and critical stamping, With our experienced team and In-house machine capabilities we can produce stamping rang upto 950mm OD.

4 PACK BUILDING

We at MIRACLE STAMPING , have inhouse capacity of cleating and welding Stator pack from range 70-900mm OD.

5 ROTOR DIE CASTING

With our strategic partnership with die cast suppliers in Ahmednagar we can supply wide range of rotor Die casting at very competitive price.

OUR SERVICES

6 WINDING AND VARNISING

We can supply stator winding and varnished pack with our strategic partners in Ahmednagar at very competitive rates.

7 MOTOR BODY CASTING

We have strategically partnered with our sister company KIAAN ENGINEERING PVT LTD. In Ahmednagar, Our capacity is to supply CI CASTING STATOR BODIES FROM FRAME RANING 160-280 supply CI CASTING STATOR BODIES FROM FRAME RANING 160-280.
